THE MAZDA 100TH ANNIVERSARY EDITION VEHICLES

100 YEARS OF EXTRAORDINARY

From its origins as a Hiroshima cork producer, Mazda has become one of the world's most innovative carmakers. Our success has been made possible by our challenger spirit, using creativity to question common practices and forge new paths in engineering and design. Along the way, we have made history by leaving a unique imprint on the automotive world, starting with the first-ever commercial launch of the two-rotor rotary engine in the iconic Cosmo Sport 110S. We then created the world's best-selling two-seat roadster, the iconic Mazda MX-5, which has sold over one million cars since its launch in 1989 and introduced the first compression ignition petrol engine – the Skyactiv-X. In 1991, we were the first Asian brand to win Le Mans and in 2020 we proudly introduced our first fully electrified vehicle, which completes our range and is ready to impress the world once more with its unique driving feel. Now, to mark this once-in-a-lifetime occasion, we will be releasing a limited run of 100th Anniversary Edition vehicles inspired by our first passenger car: the iconic R360 Coupe.

Mazda R360 Coupe shown.

THE 100TH ANNIVERSARY EDITION MAZDA3

Crafted for a sophisticated drive, the Mazda3 offers exceptional performance with refined, premium finishings. Enjoy elevated style and comfort with a tranquil, first-class cabin feel.
